

ISR International School on the Rhine is a private, coeducational school catering for students from Kindergarten through Grade 12. The school operates a non-selective admissions policy and has an enrolment of around 1000 students with more than 52 nationalities representatives in the student body. ISR is accredited by the German authorities as an Anerkannte Internationale Ergänzungsschule (International Supplementary School) and by the US accrediting agency Cognia (formerly known as AdvancED). ISR is an IB World School authorized to offer the IB Diploma Programme, and also offers Cambridge Assessment International Education (CAIE) IGCSE courses. The school is a certified member of the Council of International Schools (CIS) and a licensee of the SABIS® Educational System.

We are especially proud of our Kindergarten where we take a holistic approach to early childhood education. Our Kindergarten motto builds on the existing school motto: 'We plant the seeds to enable great minds and strong characters'. Because of our proven track record, we have grown steadily.

In August 2020 we opened a new branch of our Kindergarten in Niederkassel, Düsseldorf. This modern facility is built with the children and their teachers in mind. The expertise and program of the Neuss branch has been transferred to the new branch.

Our Kindergarten is looking for a full-time Early Years Educator starting 1st August 2021.

Candidates should

- Have a degree in Early Childhood Education or a teaching degree – primary level
- Experience in schools or academic kindergartens is preferable
- Be a native level English speaker
- Extra qualifications such as a nursing degree or musical studies would be an advantage.

We are particularly looking for someone who:

- Is passionate about early childhood development and the well-being of children
- Is a flexible team player who builds relationships with students, colleagues and parents
- Creates a vibrant and structured learning environment
- Demonstrates excellent communication skills
- Keeps abreast of the latest trends and best practices in Early Childhood Education
- Is appreciative of, and sensitive to different cultures/backgrounds of families and colleagues
- Demonstrates a high level of attention to confidentiality
- Has the ability to use and integrate technology in the learning environment (PC, Interactive Whiteboard, Tablet, Apps etc.)
- Most importantly, we are searching for someone with a 'can-do' attitude and a real desire to help create a unique experience for our children in our new branch.

Your areas of responsibility will comprise:

- Planning of lessons and daily routines

- Following the program of instruction set out by ISR, collaborate with colleagues on a daily/ weekly basis
- Teaching the subjects English (phonics, language, handwriting), Mathematics, Social Emotional Learning, Mindful Motoric Movement, Arts and Crafts, Music, Science Projects, etc.
- Integrating a wide variety of activities and instructional approaches (songs, stories, media, structured games, art, outdoor activities, etc.) to motivate and stimulate the learning of each child
- Assessing Student Progress
- Monitoring the children's development, strengths and areas for further development
- Assessing children's performance and progress on a regular basis.
- Recording or documenting findings
- Planning interventions to support the children's learning environment
- Managing of the Learning Environment
- Designing and setting up the learning environment at the beginning of the academic year
- Guiding the learning of a group of approximately 20 children
- Creating a harmonious and engaging learning environment. Develop positive relationships with students, colleagues and parents

Here at ISR, you will always be supported by committed and welcoming colleagues, confident hardworking students and a very supportive ISR community. We will be looking at you to establish your value in a fast paced rewarding school and in return will offer a range of career development opportunities.

If the above resonates with you then please email your CV and cover letter to jobs@isr-school.de.

We are always open to discuss possibilities for inspiring candidates!
